

*“The Stanstead” – 19 Ware Street, Harvard Real Estate Services*

19 Ware Street is a seven unit apartment building individually listed on the National Register of Historic Places. It is now used by Harvard as faculty and staff housing.

Our design for a new granite and brownstone stairway and a new oak entry door, transom and sidelights received a Preservation Award from the Cambridge Historic Commission.

We also renovated the interior of three apartments, selected replacement windows for the entire building, and gut renovated the building's basement to solve major water infiltration problems.
